Global Management Program Site

Global Management Program (GMP)

Global Management Program (GMP) is a 6-day intensive program in which students are provided with a unique opportunity to interact with global business leaders to learn more about the fashion-retailing industry and Fast Retailing's business.

What to expect in GMP?

During the 6 Days, students can learn leadership and project management skills by discussing with industry specialists and collaborating with students from around the world to tackle and propose solutions for global business issues.

Global Networking & Engagement Activity

Business Sessions, Store Visit & Research

Final Presentation & Award Ceremony

Sessions with Global Leaders

- **Brand Strategy**
- **Business Model**
- **Merchandising**
- **Product Management**
- **Sustainability**

Since 2019, GMP has provided students with opportunities to engage business professionals on various topics.

Our managers and directors supported the students in broadening their horizons and brushing up their ideas for the team project.
